INTRODUCTION

The World Environment Day encourages worldwide awareness and action for the protection of the environment. Environment Day celebrated throughout the world on 5th June emphasizes on environmental conservation. The year 2023 marks the 50th anniversary of the World Environment Day and this year's theme is "Beat the Plastic Pollution". Usage of plastic has degenerated the environment leading to health hazards and other adverse impacts. Plastic as a substance is non-biodegradable and thus plastic bags remain in the environment for hundreds of years polluting it immensely. It has become very essential to discard plastic bags before they ruin our planet completely.

Against the backdrop a National Webinar entitled "**Plastic and the Environment**" has been jointly organized by *Dept. of Zoology, Botany, Env. Sc.*, Govt. Degree College Doda, JK UT and Dept. of Zoology, Narajole Raj College, West Bengal in association with International Benevolent Research Foundation (IBRF), Kolkata, West Bengal on 9th and 10th June, 2023 to discuss on the appropriate solutions to beat plastic pollution in India.

The webinar is an ideal forum to discuss and disseminate information of knowledge and exchange of ideas between the stalwarts, research scholars and the students.

Academicians, faculties, Scientists, Environmentalists, Ecologists, Students and Research Scholars are encouraged to contribute and help shape the conference through submission of their research abstracts, papers and e- posters.

THEMES & SUB THEMES

The theme of the webinar is "Plastic and the Environment."

Academicians, faculties, Scientists, Environmentalists, Ecologists, Students and Research Scholars are cordially invited to attend the webinar through Google meet and send their abstracts strictly adhering to the subthemes mentioned below:
