

INTRODUCTION

Language Lab started in 2016 – 2017 session in the month of May , 2017. It is the absolute misfortune of Narajole Raj College that she during big but available reasons are always extremely limited. The cost of setting up of formal Language Lab is beyond our capacity. However , we are determined not to let our children face any loss because of this . So we utilised the L.M.S. system doubling it up as a Language Lab.

Objectivity :

- Increase in the student's communication better .
- Students develop a flair for writing the Language .
- There is an increase in the cognitive power of the student .

Methodology :

- Sessions of proper pronunciation and reading in proper accent has been uploaded on the L.M.S. system .
- Cinematic clips have also been uploaded , so that the students get exposure to various accents .
- In the live sessions , in the college Computer Lab , the learning of the students are verified.

AIMS

- To change the speaking ability of the students.
- To help students speak the language using the correct accent .
- To help students increase and properly utilise their English Language Skill.
- To Develop personality.
