Career Counseling Cell

*“Believe in yourself and all that you are.
Know that there is something inside you that is
greater than any obstacle.”*

NARAJOLE RAJ COLLEGE

Narajole, Paschim Medinipur-721211

INTRODUCTION:

In simple words, career is a journey of an individual through learning, working and fulfilling various aspects of life. Simultaneously, employment means getting engaged in service or other works. Now a days, career and employment information is most important for every student or youth. Every student seeks a healthy career in life. The increasing population threatens everybody to think about career opportunities. Information on career and employment opportunities guides the students to choose an engagement in future. Such information helps students to plan for selecting a career in future.

A Career and Counseling Cell at Narajole Raj College has been established on its own interest for offering career counseling to students and guiding the young minds by helping them to understand their strength. To keep pace with the present stiff competition, the cell has undertaken several measures like organizing seminars, mock interviews, soft skills, communicative skills, personality development to the final year students. These programs are conducted by distinguished personalities in the field.

The faculty members associated with this cell are a experienced and dedicated team of experts who posses ample experience to nurture the students at the basic level and simultaneously making them adaptable to build their career successfully.

MISSION AND VISION:

MISSION

Career Counseling Cell, shall provide to our students a healthy, vibrant and creative environment to foster learning and unlearning, problem shooting and logical thinking; an environment to explore their potential in order to live a highly fulfilling life passing on the lesson of love and coexistence to the generations to come.

VISION

The vision of the cell is to nurture the students to become good human beings and responsible citizens of the world. They should grow into balanced individuals with a scientific bent of mind but without losing touch of Indian values and culture with its warmth of relationship. Initiative to bring about improvement in the world around, coupled with good manners
