**VC Classes for Students**

*In view of the growing enthusiasm and demand among the students and teachers of all the academic department of the College it is felt necessary to set modalities for holding classes through VIDEO CONFERENCING MODE by the teachers and participation in these by the students. After due consultation with appropriate authority and persons it is suggested that such VC Classes be taken using secured VC App like Google Meet (Hangouts Meet). The students are asked to contact the concerned teacher(s) to place their requirement regarding any topic of any particular paper or portion thereof and to comply with the timing and such other conditions as laid down by the teacher(s). We are glad to inform all concerned that about 700 e-learning study materials covering about 75% of respective syllabus are already uploaded in E-learning Tab of the College website [www.narajolerajcollege.ac.in](http://www.narajolerajcollege.ac.in). For smoother experience students are advised to use desktop view of the web-page while surfing their relevant materials if they are using mobile handset.*
